

*Prayer for the  
World*

God of all creation, Father of our world. We give you thanks for your creation, for the beauty all around us and within us. In solidarity with all of your creation we thank you and ask your forgiveness for not caring for it as we should.

We pray for all peoples throughout the world. In particular for those suffering any form of injustice. Grant them the graces they are in need of and may they be strengthened by your love and presence.

We pray for all who are far from their homeland, may they feel welcome in their new land and may those who welcome them be always mindful of your Word;  
"I was a stranger and you welcomed me."

Amen.

(Matthew 25: 35)
